

EACC E-Learning Guide

For Students

What is E-learning?

- Electronic, internet-based module-management program
- Single location for
 - News and notices
 - Information about each module in which you are enrolled
 - Communication between you and your lecturers

Who Will Use E-learning?

- Every Faculty
- All lecturers
- All students in good financial standing

What do you need to get started?

- Username– EACC[registrationnumber]@eacc.ac.rw
example: EACC1234567@eacc.ac.rw
- Password – everybody starts with same password: **Eacc@2020**
- Go to EACC website: eacc.ac.rw; then click on e-learning

SEND US EMAIL ON
info@eacc.ac.rw
